

Wanted!

Some time together to discuss your remembrance of the Great Depression.

I am interested in having informal conversations with senior citizens who were around to experience & are still cognizant of the Great Depression of the 1930s.

Where are we headed now?

'Could meet with you over a meal, a stroll, or whatever suits you!

Please call or write,
karl@khaos.com, 303-443-6602 h
Thanks!
